JAMIE'S BLOG

Hope you are keeping well and enjoying the summer/winter weather!

Last week was our flagship event – The 24th Variety Sunshine Classic – Hosted by Ian Woosnam at the outstanding Woburn GC where we played the stunning Dukes course. The event was once again sponsored by our partners at The Premier League and we presented a Sunshine Coach in their name to the Foxfields Academy based up in Leicester, who support severely disabled children, and they were so grateful.

We had an incredible turn-out with 28 teams and the scoring was very tight with just 3 points separated the top 4 teams, please the team pics below and our very own Captain Len Goodman won the Best Celebrity score with 37 points! Well done Mr Captain!

A great day was had by all, Woburn GC was in incredible condition and then we held our Dinner at Flaxbourne Gardens, a lovely country marquee venue and I ran a Q&A with Ian Woosnam, who had some fantastic stories of his career, the Ryder Cup, winning the US Masters and some funny Seve stories.

A big thanks must go to Ian Irving who ran our Live Auction for us where we raised a great deal of money - in fact the event in total raised us enough money to donate three more Sunshine Coaches to three much deserved Special Needs School.
