

*“Team up with Variety Golf  
and let us entertain you!”*

STEVE COPPELL, CAPTAIN, VARIETY GOLF, 2022

*Here's a promise...*

**When you team up with Variety Golf, you can be sure of a very special day. Not only will we be there to help with all the preparations, but you will enjoy the company of our celebrity members on the course – not to mention some great entertainment in the evening!**

*Variety Golf recently presented six  
Sunshine Coaches at Woburn*

But, most importantly, you'll be helping us raise money for our famous Sunshine Coaches, helping thousands of disabled and disadvantaged youngsters get around and about to enjoy some of the things we all take for granted - like going to the pictures or the seaside.

And, through our 'Golf for Disabled' programme you might even be able to help them learn to play golf.

Your help will improve a young life - very quickly and in a major way.

or club event in partnership with us, fundraise on our behalf or simply donate, your offer of help will be received with open arms.

The only people more grateful than us will be the young people whose lives you are about to improve – significantly!
